

Dear Adventurer,

We hope you're looking forward to the upcoming holidays!

Here at Africa Easy, we're thrilled to share some exciting updates and recent adventures. It's been a busy few months, and our latest safari to Zambia was a huge success. We had breathtaking sightings of Africa's finest wildlife, including wild dogs, honey badgers, leopards galore and cheetahs. Best of all, we spent time with an incredible group of friends, creating memories that will last a lifetime. Nadia also had the opportunity to guide an extraordinary voyage through the Great Lakes and took in the beautiful fall scenery on these impressive "inland seas".

As you search for the perfect gift, remember that there is nothing better than a journey with the people you care about. Our upcoming 15-day trip to Morocco in March/April 2025 offers an incredible opportunity to experience the rich and vibrant culture of "The Kingdom of Light".

If Morocco isn't the right trip for you, no problem! We have a range of exciting Safaris to Africa planned for summer 2025, all of which can be custom-designed to your preferred dates with family and friends. Explore South Africa and view the African penguin just outside of Cape Town followed by a Safari through the vast and wild Greater Kruger National Park, or travel to Rwanda for an incredible gorilla trek experience!

Jet off on what we call The Ultimate Safari: Botswana! Explore the breathtaking scenery of the Okavango Delta and Moremi Game Reserve!

In addition to custom design and/or set departure Safaris to Africa, we can also help you select a 'small ship' set departure voyage to Antarctica, Australia, New Zealand, Europe, Asia or Central America! Or how about a trip led by a local to 'Off the Beaten Path' TRANSYLVANIA in May 2025!

We can't wait to plan your next adventure with you!

Best Wishes From the Africa Easy & Expedition Easy team,
Nadia, Emily, Philip, and Alex
